

American Communication Cohesion Index™ Assessment Suite Pricing

INDIVIDUAL ASSESSMENTS

GROUP PRICING

Custom pricing is available for groups of five or more. Spouses and partners can be included.

It is not necessary to work for the same employer to qualify for group discounts on pricing.

ACCI-G

For global professionals, graduate students, spouses and partners of relocated professionals, and American English speakers adapting to the USA. ACCI-G evaluates communication effectiveness in everyday and social American English environments.

ACCI-P

For professionals in global and multicultural workplace environments, mid-level and emerging managers, and corporate L&D initiatives. ACCI-P evaluates communication effectiveness in professional American English facing contexts.

ACCI-PL

The most comprehensive option. ACCI-PL evaluates professional communication and business-social fluency and effectiveness – revealing how you show up across the full range of American-facing environments, from networking events to boardroom presentations.

ACCI-T / Team (Customized)

The ACCI-T is a fully customized version of the ACCI-P or ACCI-PL designed for institutional deployment – corporations, universities, language schools, and resettlement organizations. Assessment scenarios are adapted to reflect the organization's industry, culture, and specific communication context. Team debriefing call can be included in the quote. Reach out to discuss your needs and receive a quote.
